President:

Mission Statement: The purpose of the Blackfeet Community College is to provide the Blackfeet Nation and our "Universal Community" access to quality educational programs that prepare students for achievement in higher education, meaningful employment, basic skills instruction, and community education, while integrating the Blackfeet culture and language.

Purpose: The Blackfeet Tribe recognizes the need for quality education in its quest for survival in the future. The Blackfeet Community College, a tribal chartered institution of higher education, is a tribal effort to achieve a balance between education advancement and cultural preservation. The college, reflecting the needs of the tribe, will provide access to education for all people on the reservation who wish to participate in the betterment of their own future and that of the Blackfeet people without needless harm to their sovereign way of life.

Staff: Dennis Juneau..... Principal
Angela Heavy Runner..... Assistant Principal
Edna Pollock Secretary

Purpose: We believe that Browning Middle School, in cooperation with the community and its resources, should provide successful learning experiences for every child. We further believe that these experiences should assist each child in becoming a productive, creative, culturally aware, responsible member of our reservation and community prepared to compete anywhere in our changing world. The middle school should meet the ever changing physical, mental, emotional, culture, and social needs of middle school children. It should provide a transition between the department environment of the elementary school and the independent environment of the high school. It should strengthen basic skills, introduce abstract concepts, and provide opportunities for exposure to a variety of exploratory subjects. The middle school should create a safe atmosphere for the success and development of self-reliance and responsibility. As we strive to meet these goals, we also strive to allow our young people to be themselves and to grow to their fullest potential.
